EXHIBIT D

STATE OF SOUTH CAROLINA,

COUNTY OF AIKEN

WHEREAS, By a certain deed of indenture dated the 6th day of April 1935, and recorded in the
office of the Clerk of Court for Aiken County, South Carolina, in Title Book No. 68 , at page 95
A. D. ATKINSON
conveyed unto SAVANNAH RIVER NAVIGATION COMMISSION, a commission created by and existing under an Act of the General Assembly of the State of
South Carolina, approved March 7th, 1932, the rights, privileges and easements hereinafter described; and,

WHEREAS, By virtue of the provisions of the aforesaid Act the said Savannah River Navigation Commission was vested with full power to secure such flowage rights, easements and other facilities as may be required by the United States in any project for the development and future maintenance of navigation facilities in the Savannah River below Augusta, Georgia; and it was further provided in the said Act that any rights or easements thus acquired shall be acquired for and in behalf of the State of South Carolina, and that the Governor and the Secretary of State are authorized and directed to issue to the United Stated an instrument conveying to the said United States the rights and easements thus acquired; and,

WHEREAS. The rights, privileges and easements to flood hereinafter described were so acquired by the Savannah River Navigation Commission for and in behalf of the State of South Carolina, and such facilities are required by the United States for the said navigation improvement project, and it is now the desire and intention of the Savannah River Navigation Commission and the State of South Carolina to convey unto the United States the said rights, privileges and easements acquired under the aforesaid deed.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS, That We, OLIN D. JOHNSTON, as Governor of the State of South Carolina, and W. P. BLACKWELL, as Secretary of State of the State of South Carolina, in consideration of the benefits accruing to the State of South Carolina by reason of the aforesaid navigation improvement project, and the sum of One (\$1.00) Dollar to us in hand paid by the United States of America, the receipt whereof is hereby acknowledged, do hereby grant, bargain, sell and convey unto the said UNITED STATES OF AMERICA, or its assigns, the perpetual right or easement to flood as may be necessary, by the erection and operation of a dam across the Savannah River near New Savannah Bluff, Georgia, with crest control gates so operated as to maintain a pool elevation at said dam of 114.5 feet mean sea level. (11.9 feet above the point of zero on the gauge located on this date at the 5th Street Bridge leading from the State of South Carolina to the City of Augusta, Georgia), except when the natural discharge of the river exceeds that elevation at that point, that portion of the following described tract of land containing 1.92 acres: lying and being below the 116 foot contour above mean sea level (which contour is 13.4 feet above the point of zero on the said Fifth Street gauge), which drains into the creek that empties into the Savannah River at Mile 1903

all as determined by topographical survey of the Savannah River below Augusta, Georgia, made by the United States Engineer Department, approved May 26, 1934; plat showing the same being attached to the aforesaid deed in favor of Savannah River Navigation Commission as a part thereof. The easement herein conveyed is upon the aforesaid acres, which is a part of the following tract of land situate and being in Hammond Township, in the County of Aiken and State of South Carolina, containing 369 acres, more or less, and bounded as follows:

North by lands of the Estate of L. H.

Hankinson, of J. B. Watkins, of Matt Fields, of J. H. Hammond, and of G. R. Webb; East by lands of G. R. Webb; South by lands of the Estate of C. A. Rowland, and of Paul Dunbar; and West by the Savannah River,

STATE OF SOUTH CAROLINA,

COUNTY OF AIKEN

WHEREAS, By a certain deed of indenture dated the 18th day of May 193.5, and recorded in the
office of the Clerk of Court for Aiken County, South Carolina, in Title Book No. 68 at page 71
DAVE HAZEL and CELIA HAZEL
conveyed unto SAVANNAH RIVER NAVIGATION COMMISSION, a commission created by and existing under an Act of the General Assembly of the State of
South Carolina, approved March 7th, 1932, the rights, privileges and easements hereinaster described; and.

WHEREAS. By virtue of the provisions of the aforesaid Act the said Savannah River Navigation Commission was vested with full power to secure such flowage rights, easements and other facilities as may be required by the United States in any project for the development and future maintenance of navigation facilities in the Savannah River below Augusta, Georgia; and it was further provided in the said Act that any rights or easements thus acquired shall be acquired for and in behalf of the State of South Carolina, and that the Governor and the Secretary of State are authorized and directed to issue to the United Stated an instrument conveying to the said United States the rights and casements thus acquired; and,

WHEREAS, The rights, privileges and easements to flood hereinafter described were so acquired by the Savannah River Navigation Commission for and in behalf of the State of South Carolina, and such facilities are required by the United States for the said navigation improvement project, and it is now the desire and intention of the Savannah River Navigation Commission and the State of South Carolina to convey unto the United States the said rights, privileges and easements acquired under the aforesaid deed.

NOW THEREFORE. KNOW ALL MEN BY THESE PRESENTS, That We, OLIN D. JOHNSTON, as Governor of the State of South Carolina, and W. P. BLACKWELL, as Secretary of State of the State of South Carolina, in consideration of the benefits accruing to the State of South Carolina by reason of the aforesaid navigation improvement project, and the sum of One (\$1.00) Dollar to us in hand paid by the United States of America, the receipt whereof is hereby acknowledged, do hereby grant, bargain, sell and convey unto the said UNITED STATES OF AMERICA, or its assigns, the perpetual right or easement to flood as may be necessary, by the erection and operation of a dam across the Savannah River near New Savannah Bluff. Georgia, with crest control gates so operated as to maintain a pool elevation at said dam of 114.5 feet mean sea level, (11.9 feet above the point of zero on the gauge located on this date at the 5th Street Bridge leading from the State of South Carolina to the City of Augusta, Georgia), except when the natural discharge of the river exceeds that elevation at that point, that portion of the following described tract of land containing O.69 ____acres: lying and being below the 117 foot contour above mean sea level (which contour is 14.4 feet above the point of zero on the said Fifty

Street gauge), which drains into the creek that empties into the Savannah River at Mile 19h

all as determined by topographical survey of the Savannah River below Augusta, Georgia, made by the United States Engineer Department, approved May 26, 1934; plat showing the same being attached to the aforesaid deed in favor of Savannah River Navigation Commission as a part thereof. The casement herein conveyed is upon the aforesaid acres, which is a part of the following tract of land situate and being in Hammond Township, in the County of Aiken and State of South Carolina, containing 30.7 acres, more or less, and bounded as follows: North by lands of Mrs. Annie W. Youngblood; East by lands of J. H. Hammond, and of J. B. Watkins; South by lands of A. D. Atkinson;

and West by lands of the Estate of Luther H. Hankinson;
